ABOUT ME

I'm a **Cape Peninsula University graduate** (2013 National Diploma) currently based in Cape Town. As a **Junior Network IT Technician** I've worked from short to long-term projects which helped me to learn new skills and contribute towards company success. Apparently, I'm developing my new skills as a **Web Developer** in diverse set of skills ranging from **HTML5 , CSS3 , BOOTSTRAP 4, PHP/MySQL + GIT/GITHUB**

My goal is one day to become a **Fullstack/Web Developer**.
